WELCOME TO GLOBAL EXIM TRADING

As a company with a diverse portfolio, we continually bolster our position in key sectors by fostering strategic partnerships, highlighting our unwavering commitment to growth and innovation.

At GLOBAL EXIM TRADING, we consistently tailor our products and services with unwavering commitment to meet client needs precisely. Adapting to evolving requirements, we consistently develop and implement customized solutions within and beyond our areas of expertise.

FOOD COMMODITIES

Introduction

Within Global Exim Trading, our Food Commodities division proudly asserts strategic alliances over vast acres of land dedicated to growing and cultivation, complemented by mills and refineries for food production. Serving as a beacon of quality and reliability in the global market, we offer a diverse range of commodities to meet the needs of nations. We ensure that the agro commodities we provide is not only nourishing but also adheres to the highest standards of certification. Delve into the richness of our Food Commodities portfolio, where excellence is intertwined with integrity.

Sugar Products

Dive into the world of sweetness with our premium sugar offerings:

- **White Refined Sugar:** Exceptional purity and crystalline perfection make it an ideal choice for various culinary applications.
- **VHP (Very High Polarization) Sugar:** Elevate your sweet experience with our highpolarization sugar, ensuring superior quality.
- **Brown Sugar:** Infuse richness into your dishes with our distinct brown sugar, adding depth of flavor.
- **Molasses:** Explore the versatility of molasses, a byproduct of sugar refining, known for its robust taste and nutritional benefits.

Certified to meet your dietary requirements:

- **Halal & Kosher Certified:** Our commitment to inclusivity ensures that our sugar products adhere to Halal and Kosher standards.

Soy and Corn Products

Beyond sugar, we offer a selection of soy and corn products to cater to different dietary choices:

- **Soy - GMO & Non-GMO Options:** Choose from our range of soy products, accommodating both GMO and non-GMO preferences.
- **Corn - GMO:** For those seeking GMO options, our corn products provide quality and choice.

Coffee

Welcome to Global Exim Trading, a distinguished player in the world of coffee.

As a key member of Brazil's largest coffee cooperative, we as part of the cooperative take pride in contributing to over 60% of the nation's coffee exports.

Our unique approach involves strong partnerships with farmers and a cutting-edge roasting house strategically located at the port.

Nestled in the mountain regions of Espírito Santos and Minas Gerais, our arabica and robusta beans flourish, producing Brazilian coffee renowned for its intense aroma and fine body—truly among the world's finest.

At Global Exim Group Brazil, we stand poised to meet and tailor all your coffee requirements, ensuring a premium experience for enthusiasts across the globe.

Meat and Poultry

Discover our selection of Halal and Kosher certified meat and poultry, adhering to the highest standards of religious dietary practices:

- **Meat:** Offering Halal and Kosher options to meet diverse culinary needs.
- **Poultry:** Ensuring our poultry products are certified to both Halal and Kosher standards, delivering quality with every bite.

Conclusion

Be assured: Global EXIM goes beyond providing food commodities; we deliver a culinary experience that is diverse, reliable, and meets the highest standards of quality and certification.

THANK YOU
